The York Poquoson Sheriff's Office needs your help in solving the following Crime:

On 07/29/2006, two females, left the Library Tavern on Richmond Road at approximately 2:00 am. They began walking down Bypass Road toward their home.

As they walked in front of Hooter's Restaurant, a dark green Chevy 1500, four door, pick up truck approached them. The vehicle is a newer model, noticeably clean and well kept.

The driver of the vehicle was a Black Male in his early thirties; medium build approximately 5'11" short hair; clean shaven wearing a white and dark colored striped shirt and dark pants. {The driver speaks in a slow manner and repeats himself}.

The driver offered the women a ride. Both women declined. The vehicle traveled slowly behind them, the driver again asked them if they wanted a ride. They agreed and got into the vehicle.

The women told him where they lived and they began traveling in that direction. Once they got to the traffic light at Bypass Road and Route 132, the driver turned left instead of going straight as the women had instructed. The women became nervous and told him to stop. When he did not stop, they began to panic and told him to let them out. The driver then got on Interstate 64 heading west toward Richmond.

One of the females convinced the driver to slow down and pull over. One of the females jumped from the moving vehicle and hid. The vehicle drove off with the second woman in the vehicle.

At 3:41 am, the second woman arrived at a residence located in James City County asking for help. The victim was flown by helicopter to Norfolk General Hospital. She is suffering from extensive injuries.
